

Institute of Electron Physics
National Academy of Sciences of Ukraine

First announcement

CONFERENCE OF YOUNG SCIENTISTS AND POST-GRADUATE STUDENTS “IEP-2021”

26-28 May 2021

Dear post-graduate and master program students, young scientists up to 40 years!

The Institute of Electron Physics of the Ukrainian Academy of Sciences
organizes the traditional conference – “IEP-2021”

The scientific program will cover the following topics:

1. *physics of electronic and atomic collisions*
2. *elementary processes and physics of phenomena in lasers and low-temperature plasma*
3. *spectroscopy of atoms, molecules (including biomolecules), crystals and disordered systems*
4. *nanotechnology and nanostructures*
5. *technology, properties and applications of materials for the functional electronics*
6. *nuclear physics, radiation physics and nuclear safety, radioecology*
7. *theoretical physics*

General Information

1. The conference will be held at the Institute of Electron Physics of the Ukrainian Academy of Sciences, 21 Universitetska str., Uzhgorod, Ukraine.
2. The conference languages will be Ukrainian and English.
3. The scientific program will consist of the Oral Online Presentations (15 minutes, discussion included).
4. The Conference Program and the accepted Abstracts will be printed in the Book of Abstracts, registration fee for publication **10 €**.
5. If you want to take part in this Conference, please register at the Local Committee.

Please send your application form by 10 February 2021 to the e-mail: iep2021.ugh@gmail.com

APPLICATION FORM

Name _____
Surname _____
Age _____
Affiliation _____
Position _____
E-mail _____
Presentation Title _____
